

GAS Leak Alarm System

Premium GAS Leak Alarm System

XI-HGLDP01

SALIENT FEATURES

- Premium Household Gas Leak Detector with Heat Detection
- Gas Sampling by Natural diffusion
- Bar Graph indication for leakage
- Buzzer
- Control Valve output
- 5-6yrs Extended Sensor Life
- Detection Level: Approx. 10%LEL
- Response time: <10Sec
- Output 1 : To Control Valve
- Output 2 : To Alarm Panel or Siren
- Battery Backup
- Working condition(Temp): 0 to 50degC
- Power supply: TS230V - 230VAC
- Power Consumption: 2W/pc Max.
